

## Terms of Use

This website ("the Website") is owned and operated by DS Pharma Biomedical Co., Ltd. ("DS Pharma Biomedical"). Please read carefully the following terms and conditions ("Terms of Use") and the Privacy Policy in the Contact Us page before using the Website. Use of the Website indicates your acceptance of the Terms of Use and the Privacy Policy. DS Pharma Biomedical may, at any time, revise the Terms of Use and the Privacy Policy by updating these pages. You are bound by any such revisions and should therefore periodically visit these pages to review the then current Terms of Use and the Privacy Policy.

**1. All information provided on the Website is protected by copyright law. Illegal duplication and other unauthorized use are prohibited.**

The Website contents are owned and managed by DS Pharma Biomedical. The contents are protected under local copyright laws inside and outside Japan in accordance with the Berne Convention. Users are granted the right to download information from the Website for private, non-commercial use only. Users are prohibited from any other use of the Website contents in any manner.

**2. The rights to all trademarks, service marks, and company names are protected, and their unauthorized use is prohibited.**

The rights to all trademarks, service marks, company names, trade dress (product appearance and design), and products appearing on the Website are protected under the local intellectual property laws, including but not limited to the trademark laws, patent laws, copyright laws and unfair competition prevention laws, inside and outside Japan. Use of these representations for any purpose other than the identification and display of the products and/or related services of DS Pharma Biomedical is prohibited without the prior written authorization from DS Pharma Biomedical.

**3. The Website is designed to provide general information about DS Pharma Biomedical's products. It should not be considered as medical advice.**

The Website is offered with the intention of providing general information about products and related services offered by DS Pharma Biomedical (for DS Pharma Biomedical's diagnostic products, see Section 4 below). Accordingly, the information provided on the Website should not be understood to constitute medical advice, or publicity or advertisements of the usefulness or benefits offered by DS Pharma Biomedical's products. Neither is the information provided on the Website a replacement for consultations conducted between patients and their physicians and other health care professionals for the purpose of making decisions related to medical treatments.

**4. The information provided on the Website is intended for use by the residents of Japan.**

The product information provided on the Website is intended for use by the residents of Japan. Regulatory approval for products introduced on the Website varies from country to country. Product information found on the Website may not be applicable if you are accessing the site from outside of Japan. First, investigate whether the product in question has been granted regulatory approval in your current country of residence. Even if the product has been approved for use in your country, it is important to comply with the conditions under which the product was approved for use in your country, as these conditions may differ from the information presented on the Website. If the product has not been granted approval in your country, limit your use of the product to the extent to which the laws and regulations of your country allow the use of unregulated or unapproved diagnostic products.

The information on DS Pharma Biomedical's diagnostic products provided on the Website is intended solely for the use by health care professionals, such as physicians, practicing in Japan. The information reflects the Japanese approval status of the listed diagnostic products under the Japanese Pharmaceutical Affairs Law and may not be appropriate or applicable to other countries. Please refer to the approval status of a particular diagnostic product in your own country before using any information herein contained.

**5. DS Pharma Biomedical is not responsible for any loss or damage occurring as a result of the use of the Website.**

Although DS Pharma Biomedical takes all reasonable measures to assure that the information provided on the Website is accurate and up-to-date, THE CONTENT ON THE WEBSITE IS PROVIDED "AS IS" WITHOUT WARRANTIES OR REPRESENTATIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO THE ACCURACY, AVAILABILITY, RELIABILITY, COMPLETENESS, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF THIRD PARTIES' RIGHTS WITH RESPECT TO THE CONTENT, OR WARRANTIES OR REPRESENTATIONS THAT THE ACCESS TO THE WEBSITE IS FREE FROM ERRORS OR THAT THIS WEBSITE IS FREE FROM COMPUTER VIRUSES.

DS PHARMA BIOMEDICAL ALSO DISCLAIMS RESPONSIBILITY FOR ANY DAMAGES WHATSOEVER THAT RESULT FROM MISTAKES, OMISSIONS, INTERRUPTIONS, DELETION OF FILES, ERRORS, DEFECTS, DELAYS IN OPERATION OR TRANSMISSION, OR ANY FAILURE OF PERFORMANCE RELATING TO THE WEBSITE WHETHER OR NOT CAUSED BY EVENTS BEYOND ITS REASONABLE CONTROL INCLUDING, WITHOUT LIMITATION, BY ACTS OF ANY OF ITS THIRD-PARTY VENDORS, ACTS OF GOD, COMMUNICATION LINE FAILURE, THEFT, DESTRUCTION OR UNAUTHORIZED ACCESS TO THE WEBSITES' RECORDS, PROGRAMS OR SERVICES.

Users of the Website agree that they will access and use the Website and other websites linked to it at their own risk.

DS Pharma Biomedical makes no representation as to the accuracy or any other aspect of the information contained in or on any third party websites, sources or servers, nor does DS Pharma Biomedical necessarily endorse such websites or sources.

DS Pharma Biomedical is not responsible for any loss or damage resulting from the use, access, or inability to access the Website or other websites which provide a link to the Website or which is linked to in the Website, or for any loss or damage resulting from the trust placed in the information on the Website, other websites, or any errors or omissions herein or therein. The visitor shall comply with all rules posted on each third party's website.

**6. DS Pharma Biomedical retains the right to delete or revise the contents of the website at any time.**

The Website is provided as a service to those who access it. DS Pharma Biomedical retains the right to delete, revise, or supplement the contents of the Website without prior notification and for any reason, at the time and by the method of its choice. DS Pharma Biomedical is not responsible for the results of such changes.

**7. DS Pharma Biomedical has the right to make free use of information and materials provided by Website visitors.**

With the exception of personal information, DS Pharma Biomedical is under no obligation to maintain the confidentiality of any information or materials provided to it by email or other means. So please think of the actual necessity of providing such information or materials in advance while considering their contents as well. DS Pharma Biomedical is free to duplicate such information and materials and use them for any purpose deemed appropriate, including in publications. DS Pharma Biomedical is under no obligation to respond to communications received by email or other means.

**8. Prior permission is required in order to create a link to the Website.**

Prior permission from DS Pharma Biomedical, which may be granted or withheld in DS Pharma Biomedical's sole discretion, is required when specifying the Website as the target for a link on another website.

**9. Jurisdiction and Governing Law.**

These Terms of Use are based on the laws of Japan, according to which they are to be interpreted. The Osaka District Court shall serve as the court of first instance for all disputes arising from these Terms of Use.
